

WESTCOAST KIDS MENU

FOR LITTLE OCEAN LOVERS

A HEALTHY OCEAN IS A HEALTHY WORLD

A healthy ocean is a healthy world. It provides food for most of the world. Of course, it is also home to many animals.

When you look at a photo of the Earth, it's easy to see that most of the world is covered in water. Many know the fact that the ocean covers 71 percent of the Earth.

OPAH FISH, FROM HAWAII

Did you know Opah is also called moonfish? Opah is a rusty reddish color fish which has white spots and bright red fins. It weighs up to 200 pounds and is about the size of a car tire.
